LEGISLATIVE PROGRAM

(Mr. CANTOR asked and was given permission to address the House for 1 minute.)

Mr. CANTOR. Mr. Speaker, I yield to the gentleman from Maryland (Mr. HOYER), the majority leader, for the purposes of announcing next week's schedule.

Mr. HOYER. I thank the Republican whip for yielding.

On Monday, the House will meet at 12:30 p.m. for morning-hour debate and 2 p.m. for legislative business, with votes postponed until 6:30 p.m. On Tuesday, the House will meet at 10:30 a.m. for morning-hour debate and 12 p.m. for legislative business. Wednesday and Thursday, the House will meet at 10 a.m. for legislative business, and on Friday, the House will meet at 9 a.m.

We will consider several bills under suspension of the rules, as is usual. The complete list of suspension bills will be announced by the close of business tomorrow.

In addition, we will consider Senate amendments to H.R. 4213, the American Jobs Closing Tax Loopholes and Preventing Outsourcing Act, and H.R. 5136, the National Defense Authorization Act for fiscal year 2011. And we will take further action on the America COMPETES legislation to make our economy more vibrant.

Mr. CANTOR. I thank the gentleman.

Mr. Speaker, I'd ask, with the Memorial Day recess beginning the week after next, does the gentleman expect the House to be in session next Friday. I yield.

□ 1630

Mr. HOYER. I expect us to reserve that day for session. I have urged Members, and I would urge Members on both sides of the aisle, to reserve that day, not to plan for that day. Clearly, if we can complete the week's business then we will not have to meet.

But I remind the gentleman, as I am sure he knows, there are a number of items that have expiration dates either on the 31st of May or the 1st of June: unemployment insurance, COBRA health insurance, the sustainable growth rate for doctors' reimbursement for services, and other items that are critical to continue. So that I do not want to give away Friday because it is the last day we will be here for 10 days, and therefore we need to address those issues.

Mr. CANTOR. Mr. Speaker, as the gentleman indicated, the Defense authorization bill is coming to the floor next week. Usually, I think Members expect several days' worth of debate on a variety of amendments. Typically, there are a large number of amendments made in order.

I would ask the gentleman, does he expect the House to follow that general precedent on the Defense authorization and the lengthy number of amendments and discussion on the House floor next week?

Mr. HOYER. We expect to take such time as is necessary to complete the appropriate debate on that bill. If we can do it in 1 day, we will do it in 1
